What great support, your app stops sending sms verification codes so you blame the customer. I have had the same cellphone number since I was 17. I am not 35. Your app sucks, your support sucks. I hope you fail and shutdown.

I have Voyager and they are dishonest about their referral fees. I am a real investor on Voyager and even have VGX coin. I will keep tweeting until they pay me my referral fees. My user name is Arianababy. I am also a real U.S. Veteran Airborne. Hate dishonesty pls retweet
